

### EL Series

- Junction Box Connection Kits for SRL & CWM Applications
- Splice & Tee Kits for SRL & CWM Applications
- End Seal Kits for SRL Applications

### Description

Each model in the EL Series is designed to satisfy the demands of a particular operation. These highquality models combine a variety of functions in a convenient, easy to use and economical package.

### Applications

Connection of heating cables to customer supplied power wiring in any of the following applications:

- Freeze Protection
- Hydrocarbon and Chemical Product Piping
- Process Temperature Maintenance
- Fluid Flow and Viscosity Maintenance.

### Approvals

UL Listed for ordinary areas  
 CSA Certified for ordinary areas  
 FM\* Approved for ordinary areas

### Ordering Information

\* Does not include PJB

\*\*SSK to have these approvals when a junction box is used that is NEMA 4X rated and certified by appropriate third party agency for use for that application and hazardous location rating (Div. 2)

Model	Used With
<b>Power Connection Kit</b>	
SSK, PJB	SRL-CR, SRL-CT, CWM-CT, SRP-CT
HSK-PC**	CPR-CR, CPR-CT
<b>Splice &amp; Tee Kit</b>	
RT-RST, RT-TST	CPR-CR, HWM-CT, CPR-CT
<b>End Seal Kit</b>	
RT-RES	CPR-CR, CPR-CT

## Commercial Self-Regulating & Constant Wattage Heat Trace Kits

**PJB**  
**Rain Tight**  
**Junction Box**  
**PCN 514191**

Polycarbonate watertight  
enclosure for use with SSK

**RT-TST**  
**Splice & Tee Kit**  
**(for CWM &**  
**SRM/E Cable)**  
**PCN 514280**

(5) 7" long large heat shrink tubes  
(10) 1-1/2" long small heat shrink tubes  
(5) 10" lengths of sealant tape  
(15) uninsulated barrel connectors  
(1) tube of RTV sealant

**RT-RES**  
**End Seal Kit**  
**(for SRL cable)**  
**PCN 513324**

(5) 1/2" diameter heat shrink caps

**RT-RST**  
**Splice & Tee Kit**  
**(for SRL Cable)**  
**PCN 514212**

(5) 8" long heat shrink tubes  
(5) 1/2" lengths of sealant tape  
(10) insulated barrel connectors  
(5) uninsulated barrel connectors

**HSK-PC**  
**Power Connection**  
**& End Seal Kit**  
**PCN 387495**

Heat shrink power and end termination  
kit for CPR heat trace cables. CSA approved  
for grease waste, frost heave and freeze  
protection applications.
